## PROFILE

I am a UI/UX Designer and Web Developer. I am studying at SLIIT City University and following a degree in Computer Science and Software Engineering from the University of Bedfordshire. I enjoy creating clean, easy to use designs for websites and mobile apps. My goal is to make designs that look good and are simple for people to use. I also have skills in web designing, which helps me build designs that work well in real life.

## EDUCATION

**Higher Diploma in Information Technology** 2023 - PRESENT  
SLIIT City University

**Diploma in Information Technology** 2019  
**Diploma in English**
